Subject: Draft response to Kern Co Supervisors

Hi Jane/Mike:

Michele and I drafted a response to the incoming letter from Kern Co. Supervisors to Administrator McCarthy. Attached is the draft and a copy of the incoming letter. Response to the incoming was controlled to R9 and the due date is April 9th. It was classified "direct reply" by OEX, so the response can come from any level. We wrote this draft for Jane's signature.

Thanks,

David
